

PHR Partner Overview Form

Form Preview

PHR Partner Overview Form

* indicates a required field

You complete this form at the beginning of your project. If there are changes during the lifecycle of your project, the form can be updated.

Much of the information in this form will pre-populate your PHR Annual Update and will appear as 'read only'.

Section 2 - Project Details

Project name *

Ensure project name aligns with the name in your contract

Section 3 - Partner type details

Please select the category that best describes your organisation type *

- | | |
|---|--|
| ☐ Non Government Organisation | ☐ Regional Agency |
| ☐ Academic Institution | ☐ Australian Government Agency |
| ☐ Private Sector | ☐ CSIRO |
| ☐ UN or Multilateral Agency | ☐ Other |

Section 4 - Project Details

Lead organisation name *

Is your organisation leading a consortia to deliver this project? *

- ☐ Yes ☐ No

Click "Add More" to insert additional consortia partner names.

Consortium partner name *

Section 6 - Project Details

Agreement # *

This is the number on your contract

Agreement Start Date *

Must be a date.

PHR Partner Overview Form

Form Preview

Agreement End Date *

Must be a date.

Total PHR Grant *

Must be a dollar amount. Enter the \$ value of funding as per your DFAT PHR Agreement (excluding GST).

Do you receive PHR Global Funds Set-Aside Funding? *

☐ Yes

☐ No

Section 7 - Contact Details

Key contact person (or people)

Click "Add More" to insert additional contacts.

Name *

First Name

Last Name

Organisation

Position *

Email *

Phone Number *

Section 8 - Project Summary

Provide a summary of your project (200 words) *

Word count:

Must be no more than 200 words.

Your project summary should capture the primary project objective(s), key activities contributing towards the end of project outcomes, key stakeholders and geographical location. The original design summary for your project can be used as a reference point.

Section 9 - GHD Themes

Which GHD themes are relevant to this project?

Check all themes that are relevant to your project.

PHR Partner Overview Form

Form Preview

Themes *

- | | |
|---|--|
| ☐ Antimicrobial resistance | ☐ Locally-led development |
| ☐ Cancer | ☐ Logistics, supply chain & procurement |
| ☐ Cardiovascular health | ☐ Malaria |
| ☐ Chikungunya virus (CHIKV) | ☐ Medical product development and trials |
| ☐ Climate | ☐ Medical product registration and access |
| ☐ Community engagement | ☐ Mental health |
| ☐ COVID-19 | ☐ NCD policy dialogue |
| ☐ Data for decision-making or Health information systems | ☐ Neglected tropical diseases |
| ☐ Dengue | ☐ Nipah virus |
| ☐ Deploying health expertise overseas | ☐ Non-communicable disease screening, detection and early treatment |

| ☐ Disability Inclusion | ☐ One Health |
| ☐ Disease surveillance and modelling | ☐ Pandemic prevention, preparedness and/or response |
| ☐ Emergency and outbreak response | ☐ Public health policy and leadership |
| ☐ Engagement of First Nation's Australians | ☐ Rabies |
| ☐ Field epidemiology | ☐ Sexually transmitted diseases |
| ☐ Gender equality | ☐ SRHR advocacy |
| ☐ Genomics | ☐ SRHR commodities |
| ☐ Health promotion for non-communicable disease prevention | ☐ Strengthened policy to prevent and control NCDs |
| ☐ Health systems strengthening | ☐ TB |
| ☐ HIV | ☐ Universal Health Coverage |
| ☐ HPV | ☐ Vector surveillance and control |
| ☐ Immunisation policy and planning assistance | ☐ WASH |
| ☐ Infection prevention and control | ☐ Workforce development |
| ☐ Influenza / Avian Influenza | ☐ Other: <input type="text"/> |
| ☐ Laboratory strengthening | |

Section 10 - Achievements (country/region/global)

Which countries or regions will this project be delivered in? OR Is the project global?

Please list each of the countries in which your project will be delivered. Select one country from the dropdown menu and then add the estimated budget for that country. Use the

PHR Partner Overview Form

Form Preview

'add' function to add each additional country that you work in. If your project works at the Pacific or Southeast Asia regional level, select that region and if known, add corresponding countries. If your project works at a global level, select the relevant category and where known, select the project countries.

For the budget, include any shared/overhead costs allocated to the country/region on a pro-rata basis according to direct country level activity/expenditure. If known, state the budget for global programming.

Provide a summary of your program i.e. key objective, activities and how they are contributing towards the project outcomes.

DO NOT DELETE OR MOVE ROWS WITHIN THIS TABLE - doing so can corrupt the data previously collected.

Project Focus	Country	Budget	Project summary
		Must be a dollar amount.	Provide a summary of your key objectives and results in the country during the reporting period. Must be no more than 200 words.
		\$	

Section 11 - Independent Review / Evaluation

Do you intend to arrange an independent review/evaluation of your project? *

- ☐ Mid-term review ☐ End of program evaluation ☐ Both ☐ Neither ☐ To be determined

If you have an independent review or evaluation planned, is the activity budgeted for within the agreement? *

- ☐ Yes ☐ No

Alignment with PHR Outcomes and Indicators

PHR cross-cutting priority outcomes and indicators

Please select the PHR cross-cutting priority indicators that your project will contribute to. Once provided, this information will pre-populate your progress report template.

For each box, select one cross-cutting outcome (IO) that your project will contribute to and then select all the PHR indicators that you can report against. For example: select gender equality and then all indicators relevant to your project. Then in a new box select disability inclusion and rights, and then all indicators relevant to your project.

Cross-Cutting Priority Indicators

PHR Communicable Disease Control (EOPO1) outcomes and indicators

Please select the PHR Communicable Disease control indicators that your project will contribute to. Once provided, this information will pre-populate your progress report template.

For each box, select one outcome (EOPO or IO) that your project will contribute to. For each EOPO or IO then select all the PHR indicators that you can report against. For example, select EOPO1 and then select all indicators relevant to your project. Then in a new box select IO1.1 box, and then select all IO1.1 indicators relevant to your project. If there are no indicators relevant, no need to select the EOPO or IO. Continue this process.

Click the blue plus button (on the right) to insert additional indicators

Communicable Disease Control Indicators

PHR Non-Communicable Disease Control (EOPO2) outcomes and indicators

Please select the PHR NCD indicators that your project will contribute to. Once provided, this information will be pre-populated in your progress report template.

For each box, select the relevant outcome (EOPO or IO) that your project will contribute to. For each EOPO or IO then select all the PHR indicators that you can report against. For example, select EOPO2 and then select the indicators relevant to your project, if both are relevant select both. Then if IO2.1 is relevant to your program, in a new box select IO2.1 box, and then select the IO1.2 indicators relevant to your project. If there are no indicators relevant, no need to select the EOPO or IO. Continue this process.

Click the blue plus button (on the right) to insert additional indicators

Non-Communicable Disease Control Indicators

PHR Sexual and Reproductive Health Rights - SRHR (EOPO3) outcomes and indicators

Please select the PHR SRHR indicators that your project will contribute to. Once provided, this information will pre-populate your progress report template.
